

Your One-Stop Group Benefits Partner

Always your support, never your competition

Given the ever-evolving benefits landscape, your clients need sophisticated solutions to meet their complex needs. Amwins Group Benefits is your trusted, strategic partner — delivering the custom, specialty insurance products and robust administrative solutions your clients need to overcome their most pressing benefits challenges.

Our group benefits team is committed to making life easier for brokers, consultants and carriers. We provide four key capabilities across nine practice areas: access to specialty benefit insurance products and services, robust benefit administration and program management. Whether you need help navigating the chaos, solving for the unique or just a steady source of constant support for the unknown, our custom programs and experienced teams are here to help.

Our Capabilities
