INTRODUCING AmQUE – THE NEW, EXCLUSIVE TECHNOLOGY PLATFORM FOR HEALTHYADVANTAGE™

- Web based platform to quote, underwrite and enroll
- Broker and Employer Dashboards to measure enrollment campaigns
- Mobile app for employees to complete underwriting and enroll in benefits
- Electronic signature and submission of employer paperwork
- Aggressive compensation including trip incentives and additional bonuses
- Attract and retain their clients on one Enterprise System

AmQUE automates the level funded quote, underwriting and enrollment process saving you and your clients a tremendous amount of time.

Group Benefit Services, Inc. is the premier employee benefit plan administrator in the country and has enjoyed an outstanding reputation since 1980. GBS has continued to develop strategic benefit solutions that help Consultants and Employers achieve affordable health plans that offer unique cost containment features, efficient administration with advanced technology, and creative benefit designs that allow them to realize their financial objectives. With decades of experience, GBS has merged with AmWINS and their national distribution network to market an exciting new self-funded product, HealthyAdvantage, with "best in class" business partners.

ON YOUR TEAM.
