- or
- DECLINE Amwins Connect Administrators COBRA Administration for Extended Benefits**
*if declined you are not required to complete the remainder of this section

Administration of extended benefits is based upon the total number of full-time and part-time employees in your company for 50% of the typical business days in the previous calendar year regardless of whether they are currently enrolled in your group benefit program. Each part time employee counts as a fraction of an employee, with the fraction equal to the number of hours the part time employee worked divided by the hours an employee must work to be considered full time.

Example: If full time = 40 hours, an employee working 20 hours is counted as 1/2 an employee. (20 divided by 40)

COBRA (Federal): applies to groups with 20 or more employees.
Maryland State Extension: applies to groups with fewer than 20 employees (MD residents only).

Indicate the total number of employees in your company (as defined above): _____

Section 7A: Administrative Provisions

Eligibility and Participation Guidelines:

I understand that in order to determine employer eligibility for medical coverage, I may be required to submit tax documentation in order to establish and renew the plan and may be subject to termination if documentation is not provided.

An eligible employee is defined as any full-time employee with a normal workweek of thirty (30) hours or more. Eligible employees and their dependents (if applicable) must meet the employer's probationary waiting period. Either a signed enrollment (if joining the plan) or waiver form (if not joining the plan) must be submitted to Amwins Connect Administrators for all employees. Each insurance carrier establishes participation guidelines and the plan may be terminated with thirty (30) days written notification if participation requirements are not maintained.

Billing and Premium Payments: Premium invoices will be generated by the 7th of the month prior to the effective month of coverage. Premiums must be received by Amwins Connect Administrators by the 1st of the coverage month. (For example, if you receive your invoice July 7th for August coverage, the premium is due by August 1st). If payment is not received by the due date, your coverage may be subject to termination. A \$25 re-deposit fee will be charged when a check is returned by your bank due to non-sufficient funds. Additionally, a \$50 service charge will be imposed if the check does not clear after one re-deposit. Carrier guidelines require premium payments to be remitted in full based on your invoices.

Deductions and charges for enrollment activity will be reflected on subsequent invoices.

New Employee Applications: Applications for "new" employees who have met the employer's established waiting period must be received by Amwins Connect Administrators by the 22nd of the month to be effective for the first of the following month (i.e. July 22nd to be effective August 1st). The first month's premium must be included for all new applicants with your payment for that coverage month. Late entrants may be required to wait until the next open enrollment period for medical and dental coverage are required to submit acceptable evidence of insurability to apply for life and/or disability benefits.

Employee Terminations and Change of Status: If you wish to terminate or change an employee's insurance coverage, you must notify Amwins Connect Administrators in writing, prior to the first of the month for which the termination/change is effective. If written notification is not received prior to the first of the month, you may be liable for the additional month's premium, depending upon your guidelines.

Company Termination: If your company chooses to terminate coverage through Amwins Connect Administrators, it is requested that a thirty (30) day advance written notification be given. If your company fails to give written notification prior to the first of the month for which the termination is requested, your company will be liable for the additional month's premium.

Company Reinstatement: Reinstatement requests must be received in writing and are subject to carrier review and approval. Reinstatement requests must be accompanied by all past due premium and current month's premium, based on carrier requirements. Additionally, a \$100.00 fee is charged due to administration costs and must be submitted along with all premiums due. Insurance carriers may impose a waiting period following group termination.
